Subject: Re: Sample Received - Case# R33917

Just got a call back from [Ex. 4 - CBI] You're right, they brought him in from North Chelmsford, MA to head the sampling effort. He confirmed he did take a sample in Dimock, PA and mentioned OSC's Rich Fetzner and Rich Rupert. I'll get back to Isotech and let them know this sample should be a separate account.

Thanks!

Mike
